Dave,

Sending this information for your awareness. Cotter is requesting to perform this additional work (beyond what EPA requested from the parties) and with objection from Republic. Don't worry about sending comments (I have Chuck and USGS mulling it over today) but wanted to keep you apprised of their actions.

Thanks,

All – see the attached from Cotter's counsel requesting EPA's approval of the collection of additional samples, as well as asking for EPA's assistance in getting access to perform this work. Brad/Jeff/Lynn - I'll find some time on our calendars tomorrow to discuss.
